IT'S ALL ABOUT THE MUSIC!

• The following pages are provided for your input regarding particular songs and styles of music you wish to hear during your dance. As you browse through our song list, please highlight or circle any selections which may interest you or your guests.

• This list is a sampling of our most requested titles over the past five years --It is not a comprehensive inventory. Our DJs carry over 6000 selections to each event, including current hits that may not be on our list. To view a more comprehensive music list, please visit our website at www.twincitiesdj.com.

• On this page of the Song Selection Sheets, please feel free to write in any titles or artists you did not find on our list. There is also space to note any titles or artists that you do not want played at your dance.
